 ● KU 3 vs Dordt College 2... Great effort by KU Hockey rebounding from Game1 by winning Game2 on a Connor Hanlon goal with help from Sean Judd and Jake Edwards on a goalmouth scramble with 6.7 seconds. KU Hockey tied it up with less than 2 minutes to go after Mat Berard won the draw clean, Schilar Kessler hit a one-timer with Mike Tulini hammering home the rebound. Rothschilder, Greenberg and Skelnik were huge in the defensive zone limiting Dordt's Game1 leading scorer, Brandon Fast, to a single shot on goal after a hat trick the night before. Rothschilder was huge on the draw winning over 80% of his face-offs. Greenberg also chipped in with a late goal in Game1 after a great individual effort in the offensive zone. TJ Berk was steller in Game2 stopping 30 of 32 shots.
- Coach Berard** - 1/26/2012 11:04:20 AM
 ● Dordt is 5-12-2-1 and dropped a 4-3 overtime game to Nebraska on Friday, January 20 before falling 10-4 to the Huskers on Saturday, January 21. The Blades have been scored on 95 times and have scored 56 goals this season with Eric Huitsing leading Dordt in scoring with 18 points on a team high 13 goals to go along with 5 assists. Brandon Fast has 14 points on 7 goals and 7 assists while Kevin Christian has 8 goals and 2 assists for 10 points.

KU vs. SIUE - November 11&12, 2011 KU Hockey played a tough Top 10 Central Division opponent in SIUE. After taking it on the chin game one, the guys fought back in game two. KU tied it's season best offensive output of 4 goals against which will und up being one of the best teams in the country in SIUE. After spotting SIUE a 7 goal lead after 2 periods, KU finally played with speed and intensity, while outscoring SIUE 3-0 in the third period. The energy line of Tulini, Skelnik and Matt Kincaid held one of the nations top scoring lines to a single even strength goal. Prokop, Gingrich and Kincaid again did a good job of controlling bodies and sticks in front of the defensive zone net, and did it penalty-free. 4 of 6 of Chase Pruitt's penalties ended up in SIUE power-play goals. That needs to change. Elster blocked as many shots in game two as TJ. Schilar wins coaches award as "Player of the Weekend" after scoring 2 goals and added a helper in game 2 vs. SIUE. Schilar's 2-way play is a work-in-progress, but he continues to be real dangerous in the offensive zone.

 • Tough losses in Bloomington, IL vs ISU. Our forecheck in the neutral zone and our defensive zone play again improved greatly. Skyler and Dom did a great job of defensive zone man-to-man coverage. Mason, Matt, Casey and Nick did a good job of clearing the crease of screens and deflections. We minimized our penalties. I'm looking forward to playing with a full roster and adding a speed and aggression game to our disciplined play, instead of budgeting legs from opening faceoff. TJ, Nick and Skyler split coaches award for the "Player of the Weekend".

 • A couple tough losses to MU this past weekend. Cooper and TJ did a great job of looking after everything coming at them from the perimeter. Parker Vanderhoven and Dom Hartigan improved greatly in defensive zone play. Mason Kincaid did great as a defensive forward in game 1 and as a defenseman in game 2. Matt Kincaid played great defensive hockey including aggressive fore-check in game 1 that lead to first KU goal. Jake Edward's neutral and offensive zone creativity will generate offense (as long as his shot hits the net..) Elster was a BEAST with outstanding shot blocking and clearing crease on penalty kill. Dunn wins coaches award for the "Player of the Weekend".

 • "Adversity doesn't build character, it reveals it..." (unknown author). The KU Hockey Club has just received a great opportunity to learn something about themselves and the game of hockey while going winless at 0-3 during the College Hockey Kickoff Weekend Sep. 16/17/18, 2011. KU Hockey spotted each opponent at least 3 goals before deciding to play. Hopefully, this lesson will be respected as we prepare for our Loyola roadtrip this weekend...

KU vs. MU - October 7&8, 2011 Topeka did an outstanding job as the new host to KU Hockey home games. Unfortunately, a couple tough losses to MU this past weekend. Unless the puck went off skates or pants, or MU was on PP, our tenders stopped it. Cooper and TJ did a great job of looking after everything coming at them from the perimeter. Bad bounces still count. Parker Vanderhoven and Dom Hartigan improved greatly in defensive zone play. Mason Kincaid did great as a defensive forward in game 1 and as a defenseman in game 2. Matt Kincaid played great defensive hockey including aggressive fore-check in game 1 that led to first KU goal. Jake Edwards' neutral and offensive zone creativity will generate offense (as long as his shot hits the net...) Elster was a BEAST on defense in game 2. Energy level was great and will be an integral 2-way guy all season.
